SAVED BABY

Untold Suffering and Constant Misery—Awful Sight From that Dreadful Complaint, Infantile Eczema - Commenced at Top of his Head and Covered Entire Body.

MOTHER PRAISES CUTICURA REMEDIES

"Our baby had that dreadful complaint, Infantile Eczema, which afflicted him for several months, commencing at the top of his head, and at last covering his whole body. His sufferings were untold and constant misery, in fact, there was nothing we would not have done to have given him relief. The family doctor seemed to be wholly incapable of coping with the case, and after various experiments of his, which resulted in no benefit to the child, we sent to Mazon, Ill., to a druggist and got a full set of the Cuticura Remedies and applied as per directions, and he began to improve immediately, and in about three or four days began to show a brighter spirit and really laughed, for the first time in a year. In about ninety days he was fully recovered, with the exception of a rough skin, which is gradually disappearing, and eventually will be replaced by a healthy one.

"Praise for the Cuticura Remedies has always been our greatest pleasure, and there is nothing too good that we could say in their favor, for they certainly saved our baby's life, for he was the most awful sight that I ever beheld, prior to the treatment of the Cuticura Remedies.
